A New Year Message

Well another year is about to end and we embark upon the beginning of a new one. As 2017 fades into our collective history we give thanks to God for all that was good and beautiful. We also reflect on times of struggle and loss and we are especially thankful for God's presence in those times too. A new year brings with it wonderment and anticipation for what is to come. As a new year dawns we are never certain what the future will hold but we are certain of the one who holds the future - a loving ever-present God. May you continue to know the presence of God in your life today and every day. With every prayer for a happy and healthy new year.
